Our background in the ship-building industry goes back to 1981. So far, it's been more than four decades that we're building quality steel, aluminum, and HDPE workboats for different sectors and applications. Our experience allows us to provide you with the most affordable price, on-time delivery, and high-quality safe vessels that you can rely on in severe conditions.

We successfully delivered kind of vessels and turned our clients into loyal ones who trust us beyond thousands of miles. We are proud to announce we have the company of people who believed Loyd as an outstanding company in all terms as soon as their first experience.
